## LACAAEA SCHOLARSHIP PROGRAM

The Los Angeles County Asian American Employees Association (LACAAEA) sponsors an annual scholarship program - \$500 per recipient. This program was started in 2000 to recognize the accomplishment of this organization's founders and to financially assist members with their children toward higher education. We welcome qualifying candidates who are currently enrolled in a four-year college or high school seniors who are about to graduate with a minimum cumulative GPA of 2.5 to apply for one of the following scholarships:

- The **Edward W. Lee Continuing Education Scholarship** is awarded to students already enrolled in a four-year college (previous recipients are not eligible). Mr. Lee was one of the founders of the LACAAEA, who was a visionary and worked tirelessly to help promote Asian Americans, fight discrimination in the work place, and ensure that future generations would not face the same issues and problems that he observed and experienced. He was a Division Chief with the Department of Health Services in the Environmental Management Division, and then became the Director of Community Relations.
- The **Howard Takata Trade/Vocational Scholarship** is awarded to graduating high school seniors planning careers where certificates of completion are acceptable and college degrees are optional. Mr. Takata was one of the founders of the LACAAEA, who fought for recognition of Asian Americans in the County workforce and development of Asian Americans with qualifying job skills to compete for promotional opportunities. Mr. Takata retired in 1998 from the Internal Services Department, but remains active with LACAAEA.
- The **Shirley Bolinger Four-Year Undergraduate Scholarship** is awarded to graduating high school seniors entering a four-year college. Ms. Bolinger was a Division Chief with the Chief Administrative Office. She was an active member of the LACAAEA and pushed for the creation of these scholarships. Sadly, Ms. Bolinger passed away before the first scholarships were awarded.

Annually, applicants must submit a completed LACAAEA scholarship application package. The annual deadline is announced in the Spring and scholarship flyers will be sent to LACAAEA members. If you have any questions, or require further information, please contact Tevy Sithan (626-641-2186) or Karen Tu (626-329-3730), Scholarship Committee Co-Chairs, or [LACAAEA.mail@Gmail.com](mailto:LACAAEA.mail@Gmail.com).
