

I'm excited to tell you that for the second year in a row, I will be hosting a series of workshops and training sessions to help workers and small businesses in the 32nd District. Whether you're an aspiring small businesses owner looking to start a new business, or a job seeker looking for the competitive edge that will help you land your next position, I'm here to help.

The first of these events will be my **Job Hunter's Boot Camp** on **Friday, March 23.**

Last year, this event drew more than 400 job seekers, and I want to break that record this time around! Join us and take advantage these **free workshops:**

- **Interview Skills and Resume Building**
- **Starting Your Own Business**
- **Job Searching Using Technology**
- **Veterans: Returning to the Work Force**
- **Young Grads: Taking the First Step**
- **Career Change for the Over 55**

There will also be **free 1-on-1 resume critiquing** to help you leave a strong and professional first impression, and **Resource Tables with Job Information.**

Our economy has been showing promising signs of improvement lately, but we still have a long way to go. Until the day every resident of the 32nd District who wants a job has one, I will continue to do everything I can to create employment opportunities in our community. I look forward to seeing you on March 23rd. Together we will make this year's Job Hunter's Boot Camp a great success!
