

PRESIDENT'S MESSAGE

One of the primary functions of the LACAAEA is to give members an opportunity to network and interact with other members and guests, including senior County management. Last year, we had our Installation Dinner in July and the Annual Fish Fry in September 2004.

HENRY YEE SHERIFF'S DEPARTMENT

We are planning to have two upcoming Meet and Greets of new County Department heads this year. Members will be notified of the Department heads that will be introduced, exact dates, times, and locations.

Additionally, if you are the parent or guardian of a student on the verge of entering college, I urge you to submit the forthcoming scholarship application to our Scholarship Committee, which will select candidates based on the form's listed criteria. The scholarship winners will be recognized during our Annual Fish Fry in September 2005.

Our Board meetings are held every third Thursday of the month. Please see page 12 for more details. Hope to see you at our functions in 2005 and I welcome your comments.
