

OUTSTANDING COMMUNITY SERVICE AWARD

CHINATOWN SERVICE CENTER

Chinatown Service Center (CSC) is the largest community-based private, non-profit Chinese American health and human services organization in Southern California.

Founded in 1971, CSC assists over 10,000 unduplicated immigrants and other individuals, 85% of low-to-moderate income, annually in three major program areas:

- ❖ A Federally Qualified Community Health Center, with primary medical, dental, behavioral health and related social case management services;
- ❖ Community Economic Development Department, including a Full Service L.A. City WorkSource Center and Small Business Program; and
- ❖ Family and Community Services, including a Child Development Center, a Youth Center, and Senior Services Program.

The growth of staff and services at CSC since its modest beginnings in 1971 reflects an expansion of the Center's goals and the needs of the community. Furthermore, CSC promotes greater community collaboration and partnerships to assist underserved populations in achieving their American dream.
