

"Meet & Greet" The County's New Department Heads

One of the Association's goals is to provide its members the opportunity to get acquainted with top management in the County workforce. What has been successful for the Association is the hosting of "Meet & Greet" receptions for the County new department heads.

On May 26, 2005, the Association held a "Meet & Greet" reception for new department heads - Kurt E. Floren, Agricultural Commissioner/Director of Weights and Measures; Raymond G. Fortner, Jr., County Counsel; and Dave Lambertson, Director of Internal Services. Many thanks to Janice Fukai, Alternate Public Defender took the role as the Master of Ceremonies, and to the three introducers of new department heads. They made the atmosphere full of cheer and laughs. The event took place at NBC restaurant in Monterey Park. Around one hundred members and guests attended the reception. Pictures are available to view in the Photo Album.
