

Fish Fry

BY MASON FONG, NEWSLETTER EDITOR

For those of you who did not attend the LACAAEA's Annual Fish Fry, you missed out on an ideal sunny and warm day on September 18, 2004 at Mother's Beach. Members and guests brought side dishes, desserts, and drinks, while the Association provided the main courses.

Unlike other AAEA functions like Meet and Greet and Installation Dinners that are more formal in dress and atmosphere, Fish Fry attendees are encouraged to wear appropriate casual beach attire and bring their families. This event also featured games for the adults and children and a raffle that energized the crowd. When the 2005 Fish Fry arrives on Saturday, September 17, come on down and enjoy the fun!
