FREE Student Performance!

Sunday, June 26, 2011

3:00 p.m. - 4:00 p.m.

For the past 8 weeks, students have been celebrating Asian and Pacific Islander American Heritage Month with Music LA by concentrating on traditional music from India and contemporary applications through our East and West Chamber Ensemble called SHPLANG!

Listen to traditional ragas on sitar and tabla, special new arrangements of ragas, and songs by the legendary Bengali Poet Laureate, Rabindranath Tagore arranged for a variety of instruments and voices from the East and West. Students will showcase what they have learned under the direction of their seasoned music instructors, Paul Livingstone, Peter Jacobson, and Dayita Dutta at this exciting public culminating event for family and friends. Don't miss out!
