WELCOME MESSAGE FROM THE PRESIDENT...

On behalf of the Los Angeles County Asian American Employees Association, I would like to welcome you to our Fall "Meet and Greet" reception.

It is November with the year rapidly coming to an end. The days are getting shorter, and the nights longer. School is back in session. Soon it will be the holiday season which makes it a good time to reflect on the year. The LACAAEA has had a number of successful events this year. For 2007, I would like to continue to expand our outreach among the Asian American employees employed by Los Angeles County and in the community. I look forward to a new year that will see LACAAEA become a bigger and better organization.

I hope that you have an opportunity to meet with our honorees, who help run Los Angeles County,

Sincerely,

Henry Yee, President
